

Celebrate a Celtic Christmas and Solstice with

Avocet

at the Black Rose Irish Pub, Santa Rosa
Fri. December 18, 7:30-10 PM

free concert! families welcome

Come in from the rain and drive the cold winter away with an evening of seasonal songs from Sonoma County's singing-ist, silliest and most instrument-laden traditional music band.

Hear familiar carols beautifully arranged for hammered dulcimer and other evocative instruments. Hear us sing old

songs of the season from England, France and Germany. Find out what it finally took to get rid of Miss Fogarty's inedible fruitcake!

Featuring:

- Francis Small: fiddle and vocals
- Roz Reynolds: hurdy-gurdy and vocals
- Mitch Gordon: hammered dulcimer, button accordions, vocals, and whatever else Santa provides this year
- Jerry Fabiano: guitar, mandolin, octave mando and vocals
